

REMARKS

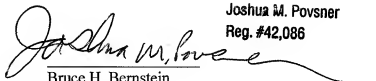

The Examiner is respectfully requested to enter the foregoing amendment prior to examination of the above-identified patent application. The foregoing amendment does not add new matter to the present application.

The amendments herein are made to more clearly recite the features of the invention to which the pending claims are directed.

The amendments to the claims made in this amendment have not been made to overcome the prior art, and thus, should be considered to have been made for a purpose unrelated to patentability, and no estoppel should be deemed to attach thereto.

Should the Examiner have any questions, the Examiner is invited to contact the undersigned at the below-listed telephone number.

Respectfully submitted,  
Yukio YANAGISAWA et al.
